Welcome to MDOW!

A warm welcome to all our parents and students. We hope everyone is ready for a fun school year.

We do have classroom openings in a few of our afternoon sessions and in the afternoon Pre-K. Please tell your friends about us. If you are interested in adding a class, please speak to Debbie.

You can always check with your child's teacher to see if your child can come an extra session for those times when 3 hours just isn't enough for what you have planned that day. An extra session is **\$24.00**.

Before school care is available every morning in the Heart Room beginning at 8am for \$8.00. After school care is available until 5:30 in our MDOW Discovery session. This session is designed to provide activities that are creative and fun. The fee is \$15. MDOW Discovery can be scheduled or used on an as needed basis. Please call or let your child's teacher know when you wish to add the session.

Handbook Updates

Two important updates to the Handbook: In the tuition section- The Extra Session fee is \$24

Medication Policy: Do not send any medication (prescription or over-the-counter) to school with your child without a completed medication administration release form. Medication must be in the original container.

School Pictures

Individual school pictures will be taken of the children on Wednesday, October 9th and Thursday, October 10th. If your child does not attend school on those days you may bring your child to school around 12:30 pm to be photographed. Information and payment envelopes will be sent home soon.

No Peanuts, No Tree nuts please

MDOW has a number of children with severe food allergies. The allergic reaction they experience if they ingest or come in contact with certain foods is life threatening. All children with a food allergy provide their own safe snack.

All food brought into school needs to be peanut and tree nut free.

Lunch: Thank you so very much for helping keep MDOW safe for everyone by not sending peanut butter or nut butter sandwiches. Some other ideas for lunch.. Lunch meat rolls, bagels & cream cheese, cheese sandwiches or cheese and crackers, dinner leftovers can be warmed in our microwaves, tuna, sunflower butter or soy butter, pizza, mac & cheese, hummus and vegetables, spaghetti or soup in a thermos.

Snack: Fruits and vegetables can be eaten by most of our students. [Http://snacksafely.com/snacklist.pdf](http://snacksafely.com/snacklist.pdf) is a list of products and specific brands that are nut free and not processed in a facility that contains nuts. We really appreciate your help in keeping MDOW a safe place for all of our students.

Sick Policy

At MDOW, we do our best to minimize the spread of germs by making sure hands are washed before eating, after toileting, and after sneezing/nose wiping. Please keep your child home if they have a fresh cold, yellow or greenish runny nose, nausea, vomiting, diarrhea or a fever. Please do not send your child to school until they have been fever free (without fever reducing medicine), diarrhea free **and vomiting free for 24 hrs.**

Reminders

In the October Classroom

During the month of October the students will be learning about community helpers, Fire prevention, Sinking and Floating, gravity, the season of Fall, nocturnal animals, spiders, the life cycle of a pumpkin, letters D,E,F, G and have fun with Halloween. Halloween is always fun at MDOW. For Halloween Parties, we ask that only children in the pre-K wear costumes. It has been our experience that some of the younger children become frightened by the costumes.
